MESSAGE FROM THE HEADTEACHER:

Please, if you have not already, go into your app store and download our new school app, MyED!

Through this app you will receive direct communication from the school, be able access regular and exciting news, connect to ParentPay, monitor your child's attendance, and much more. We see good communication with our parents as extremely important.

If you do not access DOJO, please ask your child's class teacher for the information as this is a 1:1 direct messaging service which we offer you all. This works brilliantly and has lots of success.

Also, follow us on Twitter to find our news stories @BriarHillSch

How well is your child progressing in school?

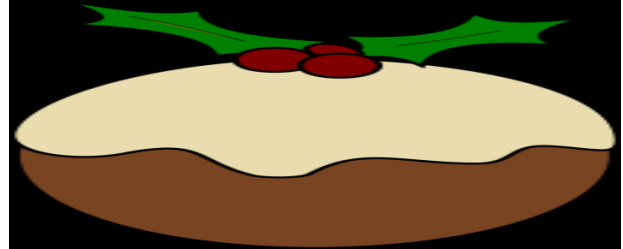

We are really proud of the work that goes out within the school day. We want you to see how your child is progressing and give you top tips to support them at home.

We formally let you know how well your child is achieving in school. We do this with a Parents evening in autumn term, we then send a report in Autumn 2. In spring 1 we host a Parents evening and in Spring 2 a report. In Summer 1 we will host a Parents evening and then a report in Summer 2.

We want also to give you the opportunity each half term to see how well your child is progressing in school by going into the classrooms. This starts this term.

Friday 15th December - All parents/carers welcome into your child's classroom to showcase all the brilliant work this year so far. From 9.00am-10.00am. If you have more than one child in school, there will be enough time to go from class to class. There will also be an opportunity for a school tour if you wish.
